SPECIAL AWARDS

The Final Moment, Delano Community Education, Delano Instinct Messaging, SL

The DaVinci Award for Outstanding Creativity

The appraisers felt that this team exhibited outstanding creativity all the way from the combination of their moving scenery, right down to the intricacies of their small acorn props.

The ZoDIacs, Wayzata Schools C, Wayzata ViDIo Lit Hits, EL

The Renaissance Award for Outstanding Design, Engineering or Performance

This team performed above and beyond in all elements of the Challenge. They created a very elaborate technical piece with moving parts and vivid colors, which accurately portrayed a Chinese dragon. They created outstanding artwork for the 12 signs of the Zodiac. All team members contributed to the storytelling through song, and dance was featured throughout the performance. This team had the total package.

Ye Old Cardinals, Kennedy Elementary School, Willmar ViDIo Lit Hits, EL

The Renaissance Award for Outstanding Design, Engineering or Performance

This team had the appraisers totally engaged in their smooth, seamless performance from the lowering of the drawbridge through the selection of the round table. It was a true music video with perfect coordination of all elements: music, lyrics, costumes, choreography, energy, and mood, which had the appraisers humming the melody afterwards. This team told us their story in a creative manner, including a stop action Lego movie.

Seven Items or Less, Highland Catholic School, St. Paul (Private) ViDIo Lit Hits, ML

The Renaissance Award for Outstanding Design, Engineering or Performance

A visual feast for this appraising team! From team created costumes from recycled materials, to well-staged continuous choreography while portraying events through the decades, this team kept our eyes moving at all times wondering what would happen next.

theEcoManiacs, Nativity of Our Lord School, St. Paul (Private) ViDIo Lit Hits, ML *DaVinci Award for Outstanding Creativity*

This team gave a performance with maximum impact using minimal props. Their music and stylized movements created powerful scenes from around the world. In their capable hands a simple piece of cloth changed from an Indian princess' robe to a rolling ocean. Thanks for taking us around the world in six minutes.

**The Detectodoodlez, Hermantown DI, Hermantown
Private DI, EL**

The Renaissance Award for Outstanding Design, Engineering or Performance

This team wowed the judges with their understanding of the technical aspects of how their Superstition Origin Detector device worked. They were able to explain in detail the physics that powered their device, and showed impressive understanding as to why.

**The Whom, Eden Prairie High School, Eden Prairie
Private DI, SL**

The Renaissance Award for Outstanding Design, Engineering or Performance

Outstanding design demonstrated with their fingerprint scanner that brought to life their research and effortlessly fit in to their overall excellent performance.

**Fatalis Nam Opulentia, Maple Grove Junior High School, Osseo
projectOUTREACH, ML**

DaVinci Award for Outstanding Creativity

The scope and magnitude of this team's project is changing lives, both theirs and their participants.' The team's website, cookbook and exercise video created excitement that motivated 8th graders to improve nutrition and fitness. As their team name translates, this team is "Destined for Greatness."
