

## 2008 2009 Minnesota Destination ImagiNation Tournament Assignments and Fees\*

Districts are assigned to regions by the MN DI Executive Board, and are reviewed annually. Decisions are based on geographic area, size of tournament host site, and specific agreements and policies among sponsoring districts and Tournament Directors.

Requests to participate in another region are considered **ONLY** if hardships are petitioned by a sanctioned program representative in writing to the MN DI office, via email or regular post.

Private schools, home schools, community organizations, and businesses compete in the same Regional Tournaments and pay the same fees as their public schools. Regions are abbreviated as indicated below.
